Leipzig, *[DD Month YYYY]*

Application for *[exact job title]*

[Dear Ms/Mr ...,]
[no contact person: Dear Hiring Manager,]

[Opening: your motivation for applying and concrete interest in the company. No stock phrases - tie it to the role or the product.]

[Practical experience: studies, bachelor's thesis, and own projects, backed up with concrete examples.]

[Working style and strengths: how you approach problems and what you value in software work.]

[Fit with the company's tech stack and what you want to learn there.]

[Availability and closing: possible starting date; make clear you would welcome an invitation to an interview.]

Yours sincerely,

[Signature]

Jeongjun Ahn
